Hi all,

On July 6th we're having a DTLA 2040 working group focused on the Arts District, looking at the plans for land use, public space, and mobility for the area. The meeting will be at CCA's offices at 626 Wilshire Blvd, Suite 200, from 11:30 a.m. to 1:00 p.m. Lunch will be provided.

As most of you are aware, DTLA 2040 is the merging and update of the Central City and Central City North community plans, and is our best opportunity to help shape Downtown's growth over the next few decades. We've already had working group meetings for other neighborhoods like the Fashion District and Industrial District, and

another one focused specifically on mobility. CCA has been facilitating these meetings as a way to capitalize on the knowledge of local stakeholders and subject matter experts, and we're looking forward to doing the same for the Arts District.

For this meeting we'll have several Arts District stakeholders and Miguel Vargas from the BID in attendance. We have a couple goals. Since we have a lot of folks who've been very involved with DTLA 2040 over the past few months, one goal will be to get the Arts District community up to speed on the plan update and the potential it holds for their neighborhood, and for Downtown overall. The other is to help the Arts District stakeholders to identify advocacy priorities and potential changes to the community plan.

We look forward to having many of you there on the 6th! Calendar invite will follow this email.
